

As the New Orleans weather turns to winter, the importance of taking care of your skin increases.

Winter weather, late nights, holiday preparations, and adult beverages can wreak havoc on skin, causing dryness, breakouts, and sensitivity.

Gift yourself or someone else the relaxation of pampered skin this winter with our 50-minute

## Winter Hydrating Facial by emerginC Rawceuticals®

In addition to your facial, you will receive an emerginC Rawceuticals® kit to continue your pampering at home!
